The Mighty Knights program at Blessed Sacrament Huguenot Catholic School provides before and after school care in a familiar and safe environment where students ages 3 through 12 can develop life skills that promote a strong mind, body, and spirit. The goal of the program is to encourage the development of a healthy and well-rounded child who exhibits self-confidence, faith-based values, a positive attitude and respect for others.

In the afternoons, students are divided into younger and older age groupings in adjoining classrooms. Opening activities include prayer and a parent provided snack. Younger students engage in free play and arts & crafts while older students work on homework assignments. Weather permitting, all students enjoy play and outdoor games on the school play-ground on a daily basis. Teachers assist with homework and provide creative activities, story time, and hands-on play with toys and manipulatives.
